myHW + Simple + Fast

The screenshot displays the myHomework web application interface. On the left is a dark sidebar with the 'myHomework' logo and navigation icons for Home, Calendar, Homework, Teachers, Announcements, Account & Settings, and Sign out. The main content area is divided into two sections: 'Late' on the left and 'Add Homework' on the right. The 'Late' section lists items like 'Needfinding DES 157' and 'Book Presentation DES 157'. The 'Add Homework' section contains a form with the following fields: 'Description *' (text input), 'Class' (dropdown), 'Type' (dropdown), 'Due Date *' (date picker set to 3/16/2017), 'Due Time' (text input), 'Repeats' (dropdown), 'Priority' (dropdown), 'Device Reminder' (dropdown), and 'Additional Info' (text area). Below these fields is a 'Complete' checkbox. At the bottom, there is a 'File Attachments' section with a note: 'Available on premium accounts, [upgrade your account.](#)'. Three buttons are at the bottom: 'Save' (blue), 'Save & Add Another' (grey), and 'Cancel' (grey). The footer of the sidebar includes links for Themes, Schools, Help, Contact, Terms, Privacy, and a copyright notice for 2017 Instin, LLC.
